

Want an iPad but not sure how to use one in your teaching? Get an iPad Mini and 18 hours of PD!

summer tech academy

Kentucky Writing Project

Literacy and Technology Inquiry Project

ALL CONTENTS AND GRADE LEVELS

KWP presents the Summer Tech Academies for the 6th year in a row! Participants will receive an iPad mini and 3 days of Professional Development (18 hours) on how to use this device and many other technologies in their classrooms.

Teacher leaders will demonstrate projects integrating technology into literacy instruction, then engage participants in doing the same!

WHAT YOU GET!

- An iPad Mini with full payment (\$450 in advance—we CANNOT bill after the event)
- Experienced Teacher Leaders to assist you in learning to use technology effectively
- Resources to take back to your school
- Research-based strategies for improving student learning and literacy through technology
- TIME and assistance as you develop your plans for a classroom technology project
- Opportunities for follow-up on-line and at our Fall Conference

**Participants will earn
18 hours of PD credit.**

"This was a great experience! The facilitators are extremely knowledgeable, and they presented in such a way that they didn't make me feel like a dummy!"

"This was the BEST PD I have ever been to! It was the most beneficial and the small group size made this a wonderful experience!"

"This academy was very helpful. As a teacher, we are constantly encouraged to bring technology into the classroom and allow the students to use technology. Thanks to the Academy I feel much more comfortable in accomplishing just that."

"I feel like I need this every summer because technology changes so rapidly."

"I attended last year and was concerned that it might have been a repeat; however, I was very pleased that it was all very new and fresh information."
